Thanks for coaching! You are an important part of the Johnston Soccer Club.

Head Coaches: The team roster was emailed to coaches and assistant coaches at the end of July. It is very important that you call everyone on the list immediately! Let them know you are their child's coach, tell them that first games are on Sept. 10 or Sept. 11, and set up a first meeting or practice. Parents need to know they are registered. Please don't delay!
