RE: Thank you

It is hard to believe that the fall soccer season will be here in just a few weeks. Hopefully the weather will continue to be mild and enjoyable. We are thankful to have you step up and coach our youth soccer players. The club is home to nearly 1,500 players annually and our children would not have the opportunity to play soccer without your volunteer efforts. You help make our club a success.

As a club, we want to stress sportsmanship, constructive coaching, and a love of the game. In order for our kids to continue to love the game of soccer, coaches and parents must remain positive. We want you to be a role model for your players.

Please visit our website for up to date information on field closures, important announcements, camp schedules, etc. If you have suggestions on ways to make it better, please let us know.

On behalf of the Johnston Soccer Club Board, thank you for coaching and have a great fall season.
